***REASONS FOR ALLOWANCE***

1. The following is an examiner's statement of reasons for allowance:

The cited art of record fails to teach the sector antenna comprises

a) the impedance plane further comprising a magnetic conductor within a second frequency band, said sector antenna having radiation patterns that flare out from the impedance plane in both the first and second frequency planes as defined in claim 9, or

d) each of a plurality of additional impedance planes defining an elongated strip, and comprising a magnetic conductor within at least a particular frequency band and a plurality of additional sector antennas each coupled to one side of respective one of the plurality of additional impedance planes, each of the plurality of additional sector antennas having a planar form factor with dimensions contained within the respective elongated strip, having a radiation pattern in the respective particular frequency band that is flared out from the respective impedance plane at a particular angle as defined in claims 10 and 13. Therefore, claims 2-22. Therefore, claims 2-22 are presently allowed.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
